Antietam Valley Community Partnership

AVCP was founded to improve the quality of life in the Antietam Valley, which includes the Boroughs of Mount Penn and Saint Lawrence, the Township of Lower Alsace, and the immediate surrounding area. We are interested in improving access to quality community recreation for children and adults, as well as working to identify ways to “shine the light” on the many positive characteristics of the Antietam Valley. We support community enrichment and economic development projects, especially those that impact the quality of life for families and residents. Finally, we are committed to maintaining close working partnerships with other organizations in the community, including the Antietam Valley Recreation & Community Center, the Recreation Commission of the Antietam in support of the Master Plan for Carsonia Park.

3rd Annual Carsonia Craft Beer & Wine Amusement (CCBWA), where breweries and beer enthusiasts will come together for an afternoon of tasting and fun! In partnership with the Antietam Valley Community Partnership and the Antietam Valley Recreation & Community Center.
